## IBM

### *IBM Tivoli Storage Manager V5.2 Implementation*

Visit: <http://www.pass4sureofficial.com/exams.asp?examcode=000-872>

Pass4sureofficial.com is a reputable IT certification examination guide, study guides and audio exam provider, we not only ensure that you pass your 000-872 exam in first attempt, but also you can get a high score to acquire IBM certification.

If you use pass4sureofficial 000-872 Certification questions and answers, you will experience actual 000-872 exam questions/answers. We know exactly what is needed and have all the exam preparation material required to pass the exam. Our IBM exam prep covers over 95% of the questions and answers that may be appeared in your 000-872 exam. Every point from pass4sure 000-872 PDF, 000-872 review will help you take IBM 000-872 exam much easier and become IBM certified. All the Questions/Answers are taken from real exams.

Here's what you can expect from the Pass4sureOfficial IBM 000-872 course:

- \* Up-to-Date IBM 000-872 questions taken from the real exam.
- \* 100% correct IBM 000-872 answers you simply can't find in other 000-872 courses.
- \* All of our tests are easy to download. Your file will be saved as a 000-872 PDF.
- \* IBM 000-872 brain dump free content featuring the real 000-872 test questions.

IBM 000-872 certification exam is of core importance both in your Professional life and IBM certification path. With IBM certification you can get a good job easily in the market and get on your path for success. Professionals who passed IBM 000-872 exam training are an absolute favorite in the industry. You will pass IBM 000-872 certification test and career opportunities will be open for you.

**QUESTION 1:**

What are the correct steps for a successful implementation of a MSCS cluster node?

- A. 1. Install the client on both the physical nodes
- 2. Configure the scheduler on one of the physical nodes
- 3. fail the virtual node over
- 4. Configure the scheduler on the secondary node
- 5. setup the generic service for resource failover in MSCS
- B. 1. Install the client on both the physical nodes
- 2. setup the generic service for resource failover in MSCS
- 3. configure the scheduler on one of the physical nodes
- 4. fail the virtual node over
- 5. configure the scheduler on the secondary node
- C. 1. Install the client on both the physical nodes
- 2. configure the scheduler on one of the physical nodes
- 3. configure the scheduler on the secondary node
- 4. fail the virtual node over
- 5. setup the generic service for resource failover in MSCS
- D. 1. Install the client on both the physical nodes
- 2. configure the scheduler on one of the physical nodes
- 3. fail the virtual node over

Answer: A

---

**QUESTION 2:**

Which product/feature allows a customer to perform a bare machine recovery on Windows?

- A. Automated System Recovery (ASR) feature.
- B. IBM Tivoli Storage Manager for Windows System Backup and Recovery.
- C. You must purchase a third-party product to implement this feature.
- D. This cannot be done on Windows.

Answer: B

---

**QUESTION 3:**

A company with two departments has only one tape library. The departments need to be on separately-managed storage tape volumes. Collocation will be used for their servers, but not for their workstations. Each of the two departments has both servers and workstations. Backup is to disk, migrating to tape.

How many disk and tape storage pools are required for this company's storage hierarchy?

- A. two disk and two tape storage pools
- B. four disk and one tape storage pool

- C. four disk and two tape storage pools
- D. four disk and four tape storage pools

Answer: D

---

**QUESTION 4:**

When a UNIX-based Storage Manager server is installed, which three functions will the basic installation do? (Choose three.)

- A. create database and log volumes
- B. register the network attached clients
- C. define a storage pool fro a tape device
- D. define copy storage pools for the disk pool
- E. create standard domain and backup policies
- F. register one administrative and one archive/backup client

Answer: B C E

---

**QUESTION 5:**

Which IBM Tivoli Storage Manager option can be used to decrease elapsed time by backing up more files between database commits?

- A. TCPBUFSIZE
- B. TXNGROUPMAX
- C. NOVEBATCHSIZE
- D. TCPWINDOWSIZE

Answer: B

---

**QUESTION 6:**

When sending cypool volumes offsite, a tape is dropped and a truck runs over it. How is the information on the damaged tape recovered?

- A. Recrate drcopy vol=xxx.
- B. Update volume xxx access=lost and backup primary storage pool again.
- C. Update volume xxx access=destroyed and backup primary storage pool again.
- D. Update volume xxx access=unavailable and backup primary storage pool again.

Answer: C

---

**QUESTION 7:**

Where are IBM Tivoli Storage Manager updates kept before being committed to the database?

- A. db.dsm
- B. dsmserv.opt
- C. dbudate.dsm
- D. recover log

Answer: D

---

**QUESTION 8:**

A client node needs to be able to do a point-in-time restore for any day in the preceding 60 days. In addition to having the proper copy group parameters, what else is required daily?

- A. expiration processing
- B. copy serialization = absolute
- C. incremental backup of client data
- D. Storage Manager database backup

Answer: C

---

**QUESTION 9:**

A customer wants to migrate an existing Storage Manager server on Windows 2000 to an AIX Storage Manager server. Which feature makes it possible to move the storage pool data from one platform to another?

- A. backupsets
- B. import/export
- C. move node data
- D. no feature is necessary? Storage Manager is the same on all platforms

Answer: B

---

**QUESTION 10:**

A customer has a high number of Storage Manager clients being backed up with scheduled backups. The users keep forgetting their passwords.

What is the most effective way to resolve this?

- A. set FORCEPWRESET to YES
- B. set PASSWORDEXPIRATION to 9999
- C. set PASSWORDACCESS to GENERATE
- D. set up an automated administrative schedule to do an EXPIRE INVENTORY command

## Pass4SureOfficial.com Lifetime Membership Features;

- Pass4SureOfficial Lifetime Membership Package includes over **2500** Exams.
- **All** exams Questions and Answers are included in package.
- **All** Audio Guides are included **free** in package.
- **All** Study Guides are included **free** in package.
- **Lifetime** login access.
- Unlimited download, no account expiry, no hidden charges, just one time \$99 payment.
- **Free updates** for Lifetime.
- **Free Download Access** to All new exams added in future.
- Accurate answers with explanations (If applicable).
- Verified answers researched by industry experts.
- Study Material **updated** on regular basis.
- Questions, Answers and Study Guides are downloadable in **PDF** format.
- Audio Exams are downloadable in **MP3** format.
- **No authorization** code required to open exam.
- **Portable** anywhere.
- 100% success **Guarantee**.
- **Fast**, helpful support 24x7.
